## Romazon takes home winnings from Golf Ball Drop

Amanda Romazon and Kristen DeHart.

It was a beautiful day at the Excelsior Springs Golf Course on Friday, June 3rd, during the 30th Annual Golf Tournament held by the Excelsior Springs Health Care Foundation. Proceeds for the tournament this year was raised for medical equipment needed for the community hospital.

In addition to a Silent Auction, the Golf Ball Dropped introduced last year was another popular hit this year, too! Individuals purchased numbered balls for a chance to win \$1,500! Gary Sanson and Tucker DeHart elevated nearly 30 feet in the air in a cherry picker to release the numbered balls at the same time. The ball closest to the hole, even inside it, would be the winner. Amanda Romazon was the big winner of the day, winning not just first place, but second, too!

## City salutes ESH during National Hospital Week

“The City of Excelsior Springs salutes Excelsior Springs Hospital as it celebrates National Hospital Week. The City of Excelsior Springs recognized the health care workers at the Excelsior Springs Hospital as they not only met the challenge of the COVID-19 pandemic, but also continue to play a critical role in the city’s response efforts while providing routine health care for the people of Excelsior Springs,” read Mayor Sharon Powell from a Proclamation for National Hospital Week, presented to Hospital CEO Kristen DeHart.

For more coverage of National Hospital Week, see page 6.

# Good Day!

Welcome to Summer! The official start of summer for me is the Health Care Foundation's Golf Tournament! We were so excited to be back at the Golf Course for our Foundation's 30th annual tournament. We picked the perfect day again and the staff at the Excelsior Springs Golf Club were amazing! My special thanks to Christine Riegel, Foundation Coordinator and the team of volunteers that helped make the day so perfect. We are so appreciative of our sponsors and all that helped make the day a great day!

There are so many great things heating up for the summer. We will soon be introducing you all to our newest physicians; adding Pediatrics, enhanced Dermatology services, additional Primary Care services and Nephrology. Each day, we are continuing to assess our community needs as we build on our service line development and medical staff.

We are excited to participate with both Excelsior Springs and Lawson Communities as sponsors and participants in WaterFest and the Lawson Picnic, the best of summer events. Come out and celebrate these great weekends with us and experience the fun – two great weekends that showcase our amazing communities!

June 2 represents the start of my 6th year as the Chief Executive Officer for Excelsior Springs Hospital. I am honored every day to represent this

Kristen DeHart, CEO, Excelsior Springs Hospital

hospital and continue to be inspired by the commitment and compassion shared by our staff and medical team. We are proud to be a part of this community and are here for you.

Thanks always for your support. If I or any member of our team can assist, please do not hesitate to reach out to us. Stay cool and hydrated this summer!

*Kristen DeHart*

## PEER SPOTLIGHT

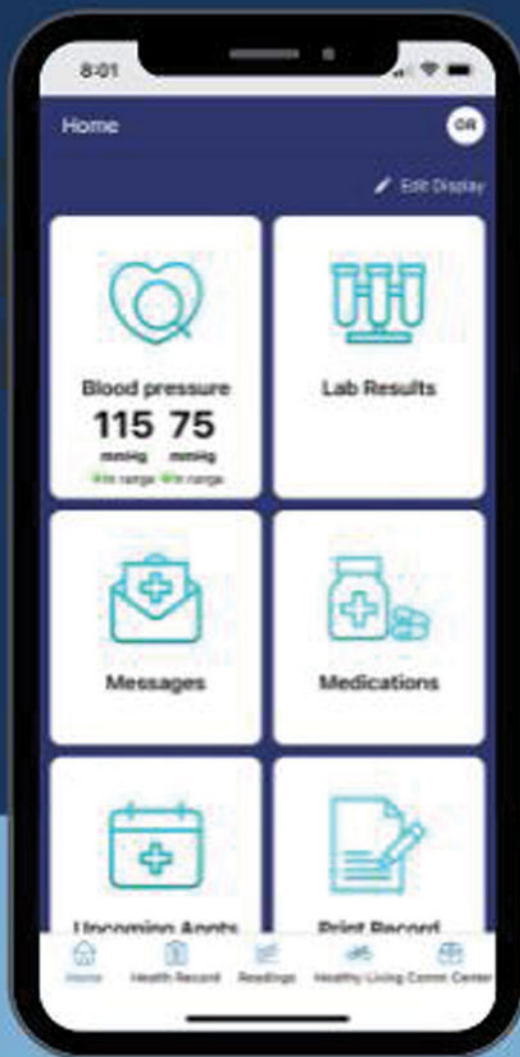

### AMANDA MCATEE

- You are doing such a great job!
- Thanks for going above and beyond in the support of our staff.
- Thank you for always answering all of my questions and being so kind.

# Your Patient Portal has changed!

## Introducing MyCareCorner

### Download the MyCareCorner app with these easy steps:

- 1.) Log into your existing Patient Portal ([thrivepatientportal.com](http://thrivepatientportal.com)) with your existing credentials
- 2.) You will be directed to [mycarecorner.net/login](http://mycarecorner.net/login) page
- 3.) Fill out all appropriate fields to complete registration for MyCareCorner!

Download
